Consumer Alert: Poor Food Safety Score!

Did you know that local officials inspect food service facilities to improve food safety?

Following a recent inspection, this facility received a food safety rating that is in the bottom 5% locally, and is categorized by inspectors as "poor."

Being in the consumer protection business, we care a lot about your safety and will display this alert for six months or until we receive a significantly improved food safety rating for this business.

Got it, thanks!

Imperial Palace

October 23, 2014 — Routine Inspection

About Health Inspections

We collect public inspection data directly from your local health department. Due to the local health department's inspection schedule as well as the time it takes to pass that information on to us, it is possible that we may not display the most recent inspection data.

Please report any health complaints about this business such as potential food borne illnesses or any unreasonable delay and data inaccuracies via one of the methods below:

- Email
- Website
